FE DOCKET NO. 96-96-NG

ORDER GRANTING BLANKET AUTHORIZATION
TO IMPORT NATURAL GAS FROM CANADA

DOE/FE ORDER NO. 1238

JANUARY 17, 1997

I. DESCRIPTION OF REQUEST _____

On December 20, 1996, Atlas Gas Marketing, Inc. (Atlas) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA)1/ and DOE Delegation Order Nos. 0204-111 and 0204-127, requesting blanket authorization to import up to 100 Mcf per day of natural gas from Canada for two years (a total of 73 Bcf) beginning on the date of the first delivery. Atlas is a Pennsylvania corporation with its principal place of business in Moon Township, Pennsylvania. Atlas will import gas for its own account as well as for the account of others. The specific terms of each import transaction, including price and volume, would be negotiated at arms length in response to market conditions. The requested authorization does not involve the construction of new pipeline facilities.

II. FINDING _____

The application filed by Atlas has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the importation of natural gas from a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Atlas to import natural gas from Canada, a nation with which a free trade

agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.
