ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA

DOE/FE ORDER NO. 2248

AUGUST 28, 2006

DESCRIPTION OF REQUEST

On August 8, 2006, Select Energy New York, Inc. (SENY), doing business as Hess Energy New York Corporation, filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),¹ for blanket authorization to import up to 100 billion cubic feet (Bcf) of natural gas from Canada, and to export up to 100 Bcf of natural gas to Canada. The applicant requests the authorization be granted for a two-year term beginning on September 7, 2006.² SENY is a Delaware corporation with its principal place of business in New York, New York.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), of the NGA, the import and export of natural gas from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by SENY to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

¹ 15 U.S.C. § 717b. This authority is delegated to the Assistant Secretary for Fossil Energy pursuant to Redefinition Order No. 00.002.04A (April 13, 2005).

² SENY's blanket authorization granted in DOE/FE Order No. 2015 on September 7, 2004, expires on September 6, 2006. (2 FE ¶ 71,015).
