On November 13, 1992, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to EnergyNorth Natural Gas, Inc. Order 714 has never been activated.

On December 9, 2002, EnergyNorth filed a request with FE requesting two-year blanket authority to import and export up to a total of 1 Bcf of natural gas from and to Canada. Upon notification by FE regarding the status of Order 714, EnergyNorth subsequently filed a letter on

December 20, 2002, requesting that Order 714 be vacated since the requested blanket authorization to import and export natural gas from and to Canada will supersede the current authorization.

Accordingly, pursuant to section 3 of the Natural Gas Act, Order No. 714, authorizing the import of natural gas from Canada, is hereby vacated.

Issued in Washington, D.C., on January 06, 2003.
