Capture 3-4 April 2006 CSLF New Delhi,
India

Put CSLF on steroids !

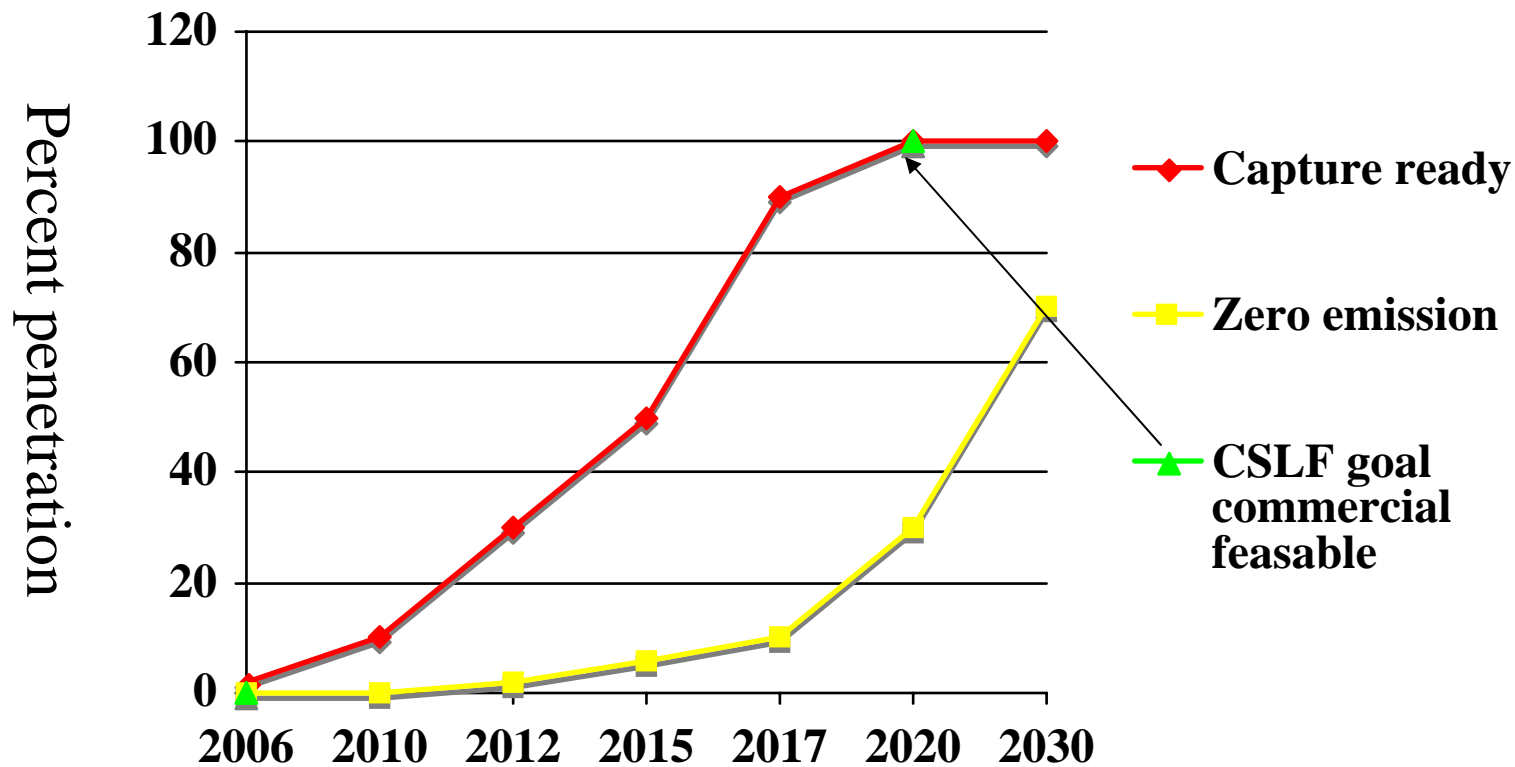

- Extend and deepen stakeholder involvement
 - Identify CO₂ value chains
 - Promote global pricing of carbons
 - Ensure technology leapfrogging

- Proposed CSLF Strategic Plan, long term goals:
To have the foundation in place by 2013 for the wide adoption of CCS as a commercially viable option in both developed and developing countries where practicable no later than 2020 through.

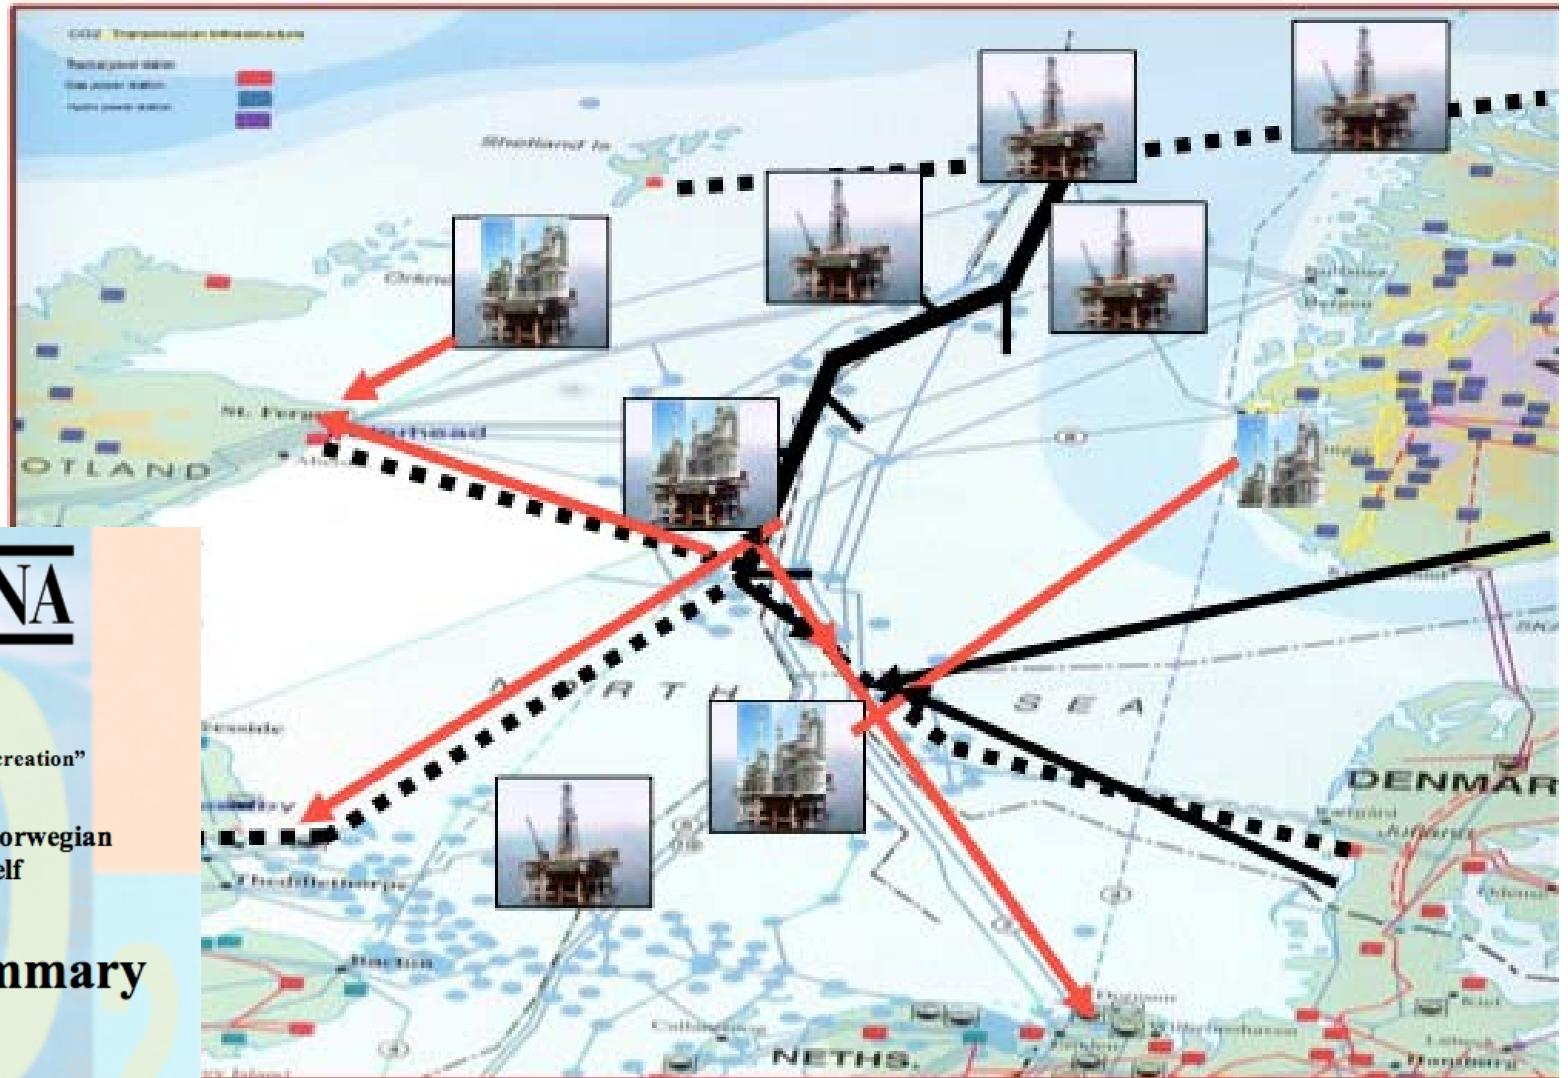

Is this sufficient?

Defining new CSLF objectives

Power generation

EOR -value chain

BELLONA

“Environment and value creation”

CO₂ for EOR on the Norwegian Continental shelf

Executive summary
