## CSLF PROJECT RECOMMENDATION GUIDELINES

*Note by the Secretariat*

### Background

A meeting of the Policy Group of the Carbon Sequestration Leadership Forum was held on 21-22 January 2004 in Rome, Italy. Draft Project Recommendation Guidelines were developed by the Secretariat and circulated to CSLF Members. These Guidelines were first approved with modifications by the CSLF Technical Group and then approved with further modifications by the CSLF Policy Group.

### Action Requested

None.

**CSLF Project Recommendation Guidelines**  
(as approved by CSLF Policy Group on 22 January, 2004)

- 1) The proposed project should be nominated by at least two CSLF Members.
- 2) The proposed project should be consistent with the CSLF Charter.
- 3) Project sponsors should be willing to share non-proprietary project information with other CSLF Members.
- 4) Visits to the project site should be allowed for representatives of CSLF Members.
- 5) The expected information from the project should be sufficient to allow others to make improved estimates of the technology's potential technical performance, costs, and benefits for any future applications.
- 6) The project should be started and major milestones reported prior to the expiration of the CSLF Charter (currently 2013).
- 7) Summaries should be made available, in English, for the CSLF website.
