The meeting venue hotel (Le Gulf Meridien) has also advised us they can arrange for pick-up at BIA for meeting attendees who have booked rooms with them.

We have been informed by the Saudi meeting hosts that people traveling to the Al Khobar CSLF meeting and Capacity Building Workshop via BIA will not need a visa to Bahrain. There will be a booth manned by Saudi government representatives at the Arrival Lounges in BIA effective January 24, 2008 to make sure that all formalities in relation to arrival and departure are handled seamlessly.
