Secretariat Report to PIRT

CSLF Recognized Projects

- As of June 2016: 49 recognized projects
 - 34 were active; 15 have been completed
 - Wide geographical distribution: projects are located on five different continents
 - <http://www.cslforum.org/projects/>
- This meeting: No new projects proposed for CSLF recognition.

Secretariat Report to PIRT

Consensus from Riyadh Meeting

- The PIRT recommends approval by the Technical Group for five nominated projects.
 - CO₂ Capture Project, Phase 3
 - CO₂CRC Otway Project, Stage 2
 - Oxy-Combustion of Heavy Liquid Fuels Project
 - Carbon Capture and Utilization Project / CO₂ Network Project
 - Dry Solid Sorbent CO₂ Capture Project

Secretariat Report to PIRT

Consensus from Riyadh Meeting

- The PIRT recommends that the Technical Group assign a working group to formulate process and structure for future revisions of the CSLF Technology Roadmap.
