PROCEDURAL ORDER ON  
ERA/FERC CONSOLIDATED PROCEEDING

By amendment to an earlier joint regulation of the Secretary of Energy and the Federal Energy Regulatory Commission (FERC) at 10 C.F.R. 1000.1(c)(3), Western LNG Terminal Associates' November 11, 1977, amendment to their application in the Pac Indonesia case has been transferred to the jurisdiction of the FERC until the timely filing of all briefs (42 F.R. 21433). The FERC, by order issued May 11, 1978, has consolidated the applicant's amended application with the ongoing proceeding in Pacific Alaska LNG Associates, et al.

During the pendency of the consolidated proceeding before the FERC and until such time as a copy of the record is forwarded to the ERA for final decision in the Pac Indonesia case, all filings concerning the amendment should be submitted to the FERC in accordance with its procedural rules and regulations as published in Title 18 of the Code of Federal

Regulations and with the orders of the administrative law judge. In addition, two (2) copies of all filings, other than briefs on or opposing exceptions, should be submitted to the following office:

Office of Fuels Regulation  
Economic Regulatory Administration  
Room 6318  
2000 M Street, N.W.  
Washington, D. C. 20461

For briefs on or opposing exceptions to the administrative law judge's initial decision, five (5) copies should be submitted.
