DOE/FE Opinion and Order No. 163-A

Supplemental Order to Blanket Authorization to Export and Import Natural Gas

Discussion

Ordering Paragraph B of DOE/ERA Opinion and Order No. 163 (Order 163), issued on March 9, 1987, granted authorization to Enron Gas Marketing, Inc. (EGM), to export and import natural gas pursuant to an April 16, 1986, sale and repurchase agreement (April 1986 Agreement) between EGM and Tricentrol Holdings, Inc. (THI). Subsequently, THI was acquired by Norfolk Holdings, Inc. (NHI). On September 2, 1988, EGM and Norfolk Energy, Inc., a subsidiary of NHI, executed a sale and repurchase agreement (Replacement Agreement), replacing the April 1986 Agreement, but without substantive changes. Accordingly, since Ordering Paragraph B of Order 163 solely authorized exports and imports under the 1986 Agreement, this supplemental order is issued to authorize exports and imports pursuant to the Replacement Agreement. Except for the amendment set forth below, all other terms and conditions of Order 163 remain in effect.

ORDER

Pursuant to Section 3 of the Natural Gas Act, it is hereby ordered that the second sentence in Ordering Paragraph B of DOE/ERA Opinion and Order No. 163, issued on March 9, 1987, be amended to read as follows:

"The authorization granted in this Ordering Paragraph is solely for natural gas which EGM exports and imports for its own account, or for the account of others, pursuant to the September 2, 1988, sale and repurchase agreement between EGM and Norfolk Holdings, Inc., contained in the April 7, 1989, letter from EGM to DOE submitted in ERA Docket No. 86-39-NG."

Issued in Washington, D.C., June 23, 1989.
