ERRATA NOTICE

On December 17, 1993, the Department of Energy issued DOE/FE Order No. 894 which granted CanStates Petroleum Marketing (CanStates) blanket authorization to import natural gas from Canada. The order incorrectly identified CanStates as a partnership between Rankin Petroleum, Inc. and Polysar Hydrocarbons, Inc. Accordingly, the sentence starting on the eighth line, first paragraph, first page of the order is revised to read: "CanStates is a partnership, formed under the laws of the State of Michigan, between ANG Hydrocarbons Inc. and ANG Petroleum, Inc., with its principal place of business in Port Huron, Michigan."

Issued in Washington, D.C., on December 28, 1993.
