FE DOCKET NO. 93-115-NG

ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA

DOE/FE ORDER NO. 880

NOVEMBER 18, 1993

I. DESCRIPTION OF REQUEST _____

On October 20, 1993, O&R Energy, Inc. (O&R Energy) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),^{1/} and DOE Delegation Order Nos. 0204-111 and 0204-127, for blanket authorization to import up to 73 Bcf and to export up to 73 Bcf of natural gas from and to Canada over a two-year term, beginning on the date of the first delivery of either imports or exports. O&R Energy, a marketer of natural gas, is a Delaware corporation with its principal place of business in Montvale, New Jersey. O&R Energy states that it will sell the gas to industrial, institutional, commercial, utility, and end-use customers, and that the requested authorization does not involve the construction of new pipeline facilities.

II. FINDING _____

L. 102-486). Under section 3(c), the import or export of natural gas from or to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by O&R Energy to import and export natural gas from and to

1/ 15 U.S.C. § 717b.

Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.
