ORDER AMENDING BLANKET AUTHORIZATION
TO IMPORT AND EXPORT NATURAL GAS,
INCLUDING LIQUEFIED NATURAL GAS

DOE/FE ORDER NO. 568-A

In DOE/FE Opinion and Order No. 568 (Order 568), issued December 31, 1991, 1 FE 70,522, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted Panhandle Trading Company (Panhandle) blanket authorization to import up to 100 Bcf and export up to 100 Bcf of natural gas, including liquefied natural gas. These volumes may be imported from any foreign country, but exported solely to Canada and Mexico. The term of the authorization is for two years beginning on the date of the initial import or export, whichever occurs first. Exports of gas began February 1, 1993, and the two-year term, therefore, extends through January 31, 1995.

On June 24, 1994, Panhandle informed DOE that its name was changed to 1 Source Energy Services Company. Accordingly,

pursuant to section 3 of the Natural Gas Act, Order 568 is amended by substituting "1 Source Energy Services Company" for "Panhandle Trading Company" as the importer and exporter of the natural gas and LNG.

Issued in Washington, D.C., on July 8, 1994.
