In DOE/FE Order No. 883 (Order 883), issued November 29, 1993, 1 FE 70,893, the Office of Fossil Energy of the Department of Energy granted Bridgegas U.S.A. Inc. (Bridgegas) blanket authorization to import up to 50 billion cubic feet of natural gas from Canada over a two-year term beginning on the date of first import after January 31, 1994. Imports of natural gas under this authorization commenced February 14, 1994, and the two-year term, therefore, extends through February 13, 1996.

On February 1, 1994, Bridgegas was sold to Teco Pipeline Company. The company name was then changed to Bridgegas Company. On April 7, 1994, Bridgegas filed an application to amend Order 883 to formally change the name of the importer of record to Bridgegas Company. Accordingly, pursuant to section 3 of the

Natural Gas Act, Order 883 is amended to reflect the name change by substituting Bridgegas Company as the importer of the natural gas.

Issued in Washington, D.C., on May 3, 1994.
