FE DOCKET NO. 94-12-NG

ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT NATURAL GAS FROM CANADA AND MEXICO

DOE/FE ORDER NO. 923

FEBRUARY 28, 1994

—

I. DESCRIPTION OF REQUEST _____

On February 18, 1994, as supplemented on February 22, 1994, Cibola Corporation (Cibola) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA)^{1/} and DOE Delegation

Order Nos. 0204-111 and 0204-127, requesting blanket authorization to import up to a combined total of 50 billion cubic feet (Bcf) of natural gas from Canada and Mexico over a two-year term beginning on the date of first delivery.^{2/}

Cibola, a Nebraska corporation with its principal place of business in Omaha, Nebraska, intends to import and sell this gas under spot and short-term transactions. The requested authorization does not involve the construction of new pipeline facilities.

II. FINDING _____

The application filed by Cibola has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), an import of natural gas from a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without

modification or delay. The authorization sought by Cibola to import natural gas from Canada and Mexico, nations with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.

ORDER

Pursuant to section 3 of the Natural Gas Act, it is ordered that:

A. Cibola Corporation (Cibola) is authorized to import up to a combined total of 50 Bcf of natural gas from Canada and Mexico, at any point on the United States border, over a two-year term beginning on the date of the first delivery.

B. Within two weeks after deliveries begin, Cibola shall provide written notification to the Office of Fuels Programs, Fossil Energy, Room 3F-056, Forrestal Building, 1000 Independence Avenue, S.W., Washington, D.C. 20585, of the date that the first import of natural gas authorized in Ordering Paragraph A above occurred.

C. With respect to the natural gas imports authorized by this Order, Cibola shall file with the Office of Fuels Programs, within 30 days following each calendar quarter, quarterly reports indicating whether imports of natural gas have been made. Quarterly reports must be filed whether or not initial deliveries have begun. If no imports have been made, a report of "no activity" for that calendar quarter must be filed. If imports

have occurred, Cibola must report total monthly volumes in Mcf and the average purchase price per MMBtu at the international border. The reports shall also provide the details of each import transaction, including: (1) the name of the seller(s); (2) the name of the purchaser(s); (3) the estimated or actual duration of the agreement(s); (4) the point(s) of entry; (5) the name of the United States transporter(s); (6) the geographic market(s) served; (7) whether the sales are being made on an interruptible or firm basis; and, if applicable, (8) the per unit (MMBtu) demand/commodity/reservation charge breakdown of the contract price.

D. The first quarterly report required by Ordering Paragraph C of this Order is due not later than April 30, 1994, and should cover the period from the date of this Order until the end of the first calendar quarter, March 31, 1994.

Issued in Washington, D.C., on February 28, 1994.
