ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT NATURAL GAS
FROM CANADA

DOE/FE ORDER NO. 1221

NOVEMBER 29, 1996

I. DESCRIPTION OF REQUEST _____

On November 8, 1996, Rochester Gas and Electric Corporation (RG&E) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA)¹ and DOE Delegation Order Nos. 0204-111 and 204-127, for blanket authorization to import up to 20 Bcf of natural gas from Canada over a two-year term beginning on December 1, 1996. RG&E is a New York corporation with its principal place of business in the City of Rochester, New York. RG&E is a public utility serving approximately 260,000 customers in an around the City of Rochester, New York. RG&E will import the gas under short-term and spot market transactions for system use. The proposed authorization does not involve the construction of new pipeline facilities.

II. FINDING _____

The application filed by RG&E has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import of natural gas from a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by RG&E to import natural gas from Canada, a nation with which a free trade
