ORDER GRANTING BLANKET AUTHORIZATION TO  
IMPORT AND EXPORT NATURAL GAS  
FROM AND TO CANADA

DOE/FE ORDER NO. 1255

FEBRUARY 14, 1997

## I. DESCRIPTION OF REQUEST

On February 6, 1997, Eagle Gas Marketing LLC (Eagle) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA)<sup>1/</sup> and DOE Delegation Order Nos. 0204-111 and 0204-127, requesting blanket authorization to import up to 25 Bcf of natural gas from Canada and to export up to 25 Bcf of natural gas to Canada. The authorization would be for a two-year term beginning on the date of the first import or export delivery. Eagle, a Montana corporation, with its principal place of business in Havre, Montana, is a natural gas producer and marketer. Eagle will import and export the gas under spot and short-term purchase arrangements, either on its own behalf or as an agent for others.

The requested authorization does not involve the construction of new pipeline facilities.

## II. FINDING

The application filed by Eagle has been evaluated to determine if the proposed import/export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import or export of natural gas from or to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public

interest and must be granted without modification or delay. The authorization sought by Eagle to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.

ORDER

Pursuant to section 3 of the Natural Gas Act, it is ordered that:

A. Eagle Gas Marketing LLC (Eagle) is authorized to import up to 25 Bcf of natural gas from Canada and to export up to 25 Bcf of natural gas to Canada over a two-year term beginning on the date of the first import or export delivery.

This natural gas may be imported and exported at any point on the border of the United States and Canada.

B. Within two weeks after deliveries begin, Eagle shall provide written notification to the Office of Natural Gas & Petroleum Import and Export Activities, Fossil Energy, Room 3F-056, FE-50, Forrestal Building, 1000 Independence Avenue, S.W., Washington, D.C. 20585, of the date that the first import or export delivery of natural gas authorized in Ordering Paragraph A above occurred.

C. With respect to the natural gas imports and exports authorized by this Order, Eagle shall file with Office of Natural

Gas & Petroleum Import and Export Activities, within 30 days following each calendar quarter, quarterly reports indicating whether imports or exports of natural gas have been made. Quarterly reports must be filed whether or not initial deliveries have begun. If no imports or exports of natural gas have been made, a report of "no activity" for that calendar quarter must be filed. If imports or exports have occurred, Eagle must report the following: (1) total monthly volumes in Mcf; (2) the average monthly purchase price of gas per MMBtu at the international border; (3) the name of the seller(s); (4) the name of the purchaser(s); (5) the estimated or actual duration of the agreement(s); (6) the name of the United States transporter(s); (7) the point(s) of entry and exit; and (8) the geographic market(s) served (for imports, by State). For import transactions only, the report shall also include: (1) whether sales are being made on an interruptible or firm basis; and, if applicable, (2) the per unit (MMBtu) demand/commodity/reservation charge breakdown of the contract price.

D. The first quarterly report required by Ordering Paragraph C of this Order is due not later than April 30, 1997, and should cover the period from the date of this Order until the end of the first calendar quarter, March 31, 1997. Issued in Washington, D.C., on February 14, 1997.
