ST. CLAIR PIPELINES (1996) LTD.

FE DOCKET NO. 98-25-NG

ORDER GRANTING BLANKET AUTHORIZATION
TO IMPORT AND EXPORT NATURAL GAS FROM AND TO CANADA

DOE/FE ORDER NO. 1377

APRIL 23, 1998

I. DESCRIPTION OF REQUEST

On April 2, 1998, St. Clair Pipelines (1966) Ltd. (St. Clair) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act⁽¹⁾ (NGA) and DOE Delegation Order Nos. 0204-111 and 0204-127, for blanket authorization to import and export up to a total of 200 Bcf of natural gas from Canada over a two-year term beginning on the date of issuance of this authorization. St. Clair is a Canadian corporation with its principal place of business in Southfield, Michigan. St. Clair is a wholly-owned subsidiary of Engage Energy Canada, L.P. St. Clair will import and export the proposed gas under spot and short-term purchase arrangements, either on its own behalf or as the agent for others. The requested authorization does not involve the construction of new pipeline facilities.

II. FINDING

The application filed by St. Clair has been evaluated to determine if the proposed import/export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import or export of natural gas from or to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by St. Clair to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.

ORDER

Pursuant to section 3 of the Natural Gas Act, it is ordered that:

- A. St. Clair Pipelines (1966) Ltd. (St. Clair) is authorized to import and export up to a combined total of 200 Bcf of natural gas from and to Canada over a two-year term beginning on April 23, 1998, through April 22, 2000. This natural gas may be imported and exported at any point on the United States/Canada border.
- B. With respect to the natural gas imports and exports authorized by this Order, St. Clair shall file with the Office of Natural Gas & Petroleum Import and Export Activities within 30 days following each calendar quarter, quarterly reports indicating whether imports or exports of natural gas have been made. Quarterly reports must be filed whether or not initial deliveries have begun. If no imports or exports of natural gas have been made, a report of "no activity" for that calendar quarter must be filed. If imports or exports have occurred, St. Clair must report the following: (1) total monthly volumes in Mcf; (2) the average monthly purchase price of gas per MMBtu at the international border; (3) the name of the seller(s); (4) the name of the purchaser(s); (5) the estimated or actual duration of the agreement(s); (6) the name of the United States transporter(s); (7) the point(s) of entry and exit; and (8) the geographic market(s) served (for imports, by State). For import transactions only, the report shall also include: (1) whether sales are being made on an interruptible or firm basis; and, if applicable, (2) the per unit (MMBtu) demand/commodity/reservation charge breakdown of the contract price.
- C. The quarterly reports required by Ordering Paragraph B of this Order shall be filed with the Office of Natural Gas & Petroleum Import and Export Activities, Fossil Energy, Room 3E-042, FE-34, Forrestal Building, 1000 Independence Avenue, S.W., Washington, D.C. 20585.
- D. The first quarterly report required by Ordering Paragraph B of this Order is due not later than July 30, 1998, and should cover the period from the date of this Order until the end of the second calendar quarter, June 30, 1998.

Issued in Washington, D.C., on April 23, 1998.
