ERRATA NOTICE

On October 23, 1998, the Department of Energy issued DOE/FE Order No. 1423 (Order 1423) which granted Enron Energy Services, Inc. (EESI) blanket authorization to import and export natural gas from and to Canada and Mexico. Order 1423 authorized EESI to import and export up to a combined total of 200 Bcf of natural gas over a two-year period, rather than the requested combined total of 400 Bcf of natural gas. Accordingly, Ordering Paragraph A of Order 1423 is amended as follows:

A. Enron Energy Services, Inc. (EESI) is authorized to import and export up to a combined total of 400 Bcf of natural gas from and to Canada and Mexico. The term of this authorization is for a period of two years beginning on the date of first import or export delivery. This natural gas may be imported or exported at any point on the borders between the United States and Canada, and between the United States and Mexico.

Issued in Washington, D.C. on November 27, 1998.
