ORDER GRANTING BLANKET AUTHORIZATION
TO IMPORT NATURAL GAS FROM CANADA

DOE/FE ORDER NO. 1483

MAY 20, 1999

I. DESCRIPTION OF REQUEST

On May 7, 1999, AEC Marketing (USA) Inc. (AMUS) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE), under section 3 of the Natural Gas Act^{1/} (NGA) and DOE Delegation Order Nos. 0204-111 and 0204-127, for blanket authorization to import up to 200 billion cubic feet of natural gas from Canada over a two- year term beginning on June 30, 1999.^{2/} AMUS, a Delaware corporation with its principal place of business in Calgary, Alberta, is a wholly-owned subsidiary of Alenco Resources Inc. Alenco Resources Inc. is a wholly-owned subsidiary of Alberta Energy Company Ltd. AMUS is a marketer of natural gas and will import the gas under spot and short-term purchase arrangements, commensurate with current market conditions for natural gas. The requested authorization does not involve the construction of new pipeline facilities.

II. FINDING

The application filed by AMUS has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import or export of natural gas from or to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by AMUS to import natural gas from Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.

^{1/} 15 U.S.C. § 717b.

^{2/} June 29, 1999, is the expiration date of AMUS' import authorization granted by DOE/FE Order No. 1287 on June 27, 1997 (1 FE ¶ 71,424).
