ORDER VACATING LONG-TERM AUTHORIZATION
TO IMPORT NATURAL GAS FROM CANADA

DOE/FE ORDER NO. 429-B

On September 29, 1990, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted long-term authorization to Salmon Resources Limited (Salmon) in DOE/FE Opinion and Order No. 429 (Order 429) (1 FE ¶ 70,357) to import up to 15,700 MMBtu of natural gas per day from Shell Canada Limited (Shell), beginning on the date of first delivery and ending on August 31, 2011. On February 9, 1996, FE/DOE Order No. 429-A (Order 429-A) (1 FE ¶ 71,232) amended Order 429 to substitute Cogen Energy Technology L.P. (CETLP) for Salmon as the importer of natural gas.

On January 28, 1999, CETLP requested that the authorization granted in Order 429, as amended by Order 429-A, be vacated effective June 30, 1998. CETLP states that the underlying

contract with Shell, subsequently assigned by Shell to Coral Energy, Inc., was terminated June 30, 1998, and CETLP is no longer importing gas from this supplier.

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to import natural gas granted by Order 429, as amended by Order 429-A, is hereby vacated.

Issued in Washington, D.C., on February 02, 1999.
