FE DOCKET NO. 00-15-NG

ORDER GRANTING BLANKET AUTHORIZATION
TO IMPORT NATURAL GAS FROM CANADA

DOE/FE ORDER NO. 1576

MARCH 22, 2000

I. DESCRIPTION OF REQUEST

On March 16, 2000, POCO Marketing Ltd. (Poco) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act^{1/} (NGA) and DOE Delegation Order Nos. 0204-111 and 0204-127, for blanket authorization to import up to 250 billion cubic feet of natural gas from Canada over a two-year term beginning on the date of first delivery after March 31, 2000.^{2/} POCO, a Delaware corporation with its principal place of business in Calgary, Alberta, is a wholly-owned subsidiary of Burlington Resources Canada Ltd., which is a wholly-owned subsidiary of Burlington Resources, Inc. The volumes will be imported by POCO under short-term sales arrangements on its own behalf. The requested authorization does not involve the construction of new pipeline facilities.

II. FINDING

The application filed by POCO has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import or export of natural gas from or to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by POCO to import natural gas from Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.

^{1/} 15 U.S.C. § 717b.

^{2/} March 31, 2000, is the expiration date of POCO's import authorization granted by DOE/FE Order No. 1368 on March 19, 1998 (1 FE ¶ 71,539).

ORDER

B. Within two weeks after deliveries begin, POCO shall provide written notification to the Office of Natural Gas & Petroleum Import & Export Activities of the date that the first import of natural gas authorized in Ordering Paragraph A above occurred.

[OMB No.: 1901-0294]
