**ORDER GRANTING BLANKET AUTHORIZATION  
TO IMPORT LIQUEFIED NATURAL GAS**

**DOE/FE ORDER NO. 1674**

**MARCH 15, 2001**

## I. DESCRIPTION OF REQUEST

On March 9, 2001, Mirant Americas Energy Marketing, LP. (Mirant) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act<sup>1/</sup> (NGA) and DOE Delegation Order Nos. 0204-111 and 0204-127, for blanket authorization to import an amount of liquefied natural gas (LNG) equivalent to 100 billion cubic feet of natural gas from various international sources over a two-year term beginning on the date of first delivery. Mirant, a Delaware limited partnership with its principal place of business in Atlanta, Georgia, is engaged in the business of natural gas procurement and marketing on a national scale. Mirant is successor in interest to Southern Company Energy Marketing, Inc. effective as of January 19, 2001. The requested authorization does not involve the construction of new pipeline or LNG receiving facilities.

## II. FINDING

The application filed by Mirant has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import of LNG is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Mirant to import LNG meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.
