**ORDER GRANTING BLANKET AUTHORIZATION TO IMPORT  
AND EXPORT NATURAL GAS FROM AND TO CANADA**

**DOE/FE ORDER NO. 1751**

**DECEMBER 19, 2001**

## I. DESCRIPTION OF REQUEST

On December 6, 2001, Sunoco Inc. (Sunoco) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act<sup>1/</sup> (NGA) and DOE Delegation Order Nos. 0204-111 and 0204-127, for blanket authorization to import up to 200 billion cubic feet (Bcf) of natural gas from Canada and to export up to 400 Bcf of natural gas to Canada over a two-year term beginning on February 1, 2002, and extending through January 31, 2004. Sunoco, an Ontario, Canada corporation is a wholly-owned subsidiary of Suncor Energy Inc. The requested authorization does not involve the construction of new pipeline facilities.

## II. FINDING

The application filed by Sunoco has been evaluated to determine if the proposed import/export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import or export of natural gas from or to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Sunoco to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.
