FE DOCKET NO. 03-64-NG

ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA

DOE/FE ORDER NO. 1909

OCTOBER 27, 2003

I. DESCRIPTION OF REQUEST

On October 15, 2003, American Crystal Sugar Company (ACS) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),^{1/} for blanket authorization to import and export up to a combined total of 10.4 billion cubic feet (Bcf) of natural gas from and to Canada over a two-year term commencing on November 1, 2003, and extending through October 31, 2005.^{2/} ACS, a Minnesota corporation is a cooperative association with its principal place of business in Moorhead, Minnesota. ACS will import and export the natural gas under spot and short-term purchase arrangements on its own behalf or on the behalf of others. The requested authorization does not involve the construction of new pipeline facilities.

II. FINDING

The application filed by ACS has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import or export of natural gas from or to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by ACS to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.

^{1/} 15 U.S.C. § 717b. This authority is delegated to the Assistant Secretary for Fossil Energy pursuant to Redesignation Order No. 00-002.04 (January 8, 2002).

^{2/} *October 31, 2003 is the expiration date of ACS's current import/export authorization granted by DOE/FE Order No. 1716 on October 10, 2001 (2 FE ¶ 70,668).*
