**Statement and Opinion of Counsel**

I have reviewed the Articles of Incorporation and Bylaws, as amended, of Burlington Resources Canada Marketing Ltd. (a corporation originally incorporated under the laws of the Province of Alberta, Canada on November 27, 1995 as 676069 Alberta Ltd.). Based upon my review, it is my opinion that the proposed imports of natural gas described in the Application (Tracking Number 3084) to which this document is attached are within the corporate powers of the applicant Burlington Resources Canada Marketing Ltd.
