ORDER GRANTING BLANKET AUTHORIZATION TO  
IMPORT AND EXPORT NATURAL GAS  
FROM AND TO CANADA AND MEXICO

DOE/FE ORDER NO. 2059

DECEMBER 21, 2004

I. DESCRIPTION OF REQUEST

On December 15, 2004, Boss Energy, Ltd. (Boss) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),<sup>1/</sup> for blanket authorization to import up to 10 billion cubic feet (Bcf) of natural gas from Canada, and to export up to 10 Bcf of natural gas to Canada. Boss also requests authority to import up to five (5) Bcf of natural gas from Mexico, and to export up to five (5) Bcf of natural gas to Mexico. The applicant requests the authorization be granted for a two-year term beginning on the date of this Order. Boss is a Texas corporation with its principal place of business in Houston, Texas.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas from and to nations with which there are in effect free trade agreements requiring national treatment for trade in natural gas are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Boss to import and export natural gas from and to Canada and Mexico, nations with which free trade agreements are in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

<sup>1/</sup> 15 U.S.C. § 717b. This authority is delegated to the Assistant Secretary for Fossil Energy pursuant to Redesignation Order No. 00-002.04 (January 8, 2002).

ORDER

The two-year term of the authority will begin on the date of this Order.

B. This natural gas may be imported and exported at any point on the borders between the United States and Canada, and between the United States and Mexico.

[OMB No.: 1901-0294]

D. The first quarterly report required by this Order is due not later than January 30, 2005, and should cover the period from the date of this Order, until the end of the fourth calendar quarter, December 31, 2004.

E. The quarterly reports shall be filed with the U.S. Department of Energy, Office of Natural Gas Regulatory Activities, FE-34, P. O. Box 44375, Washington, D.C. 20026-4375.

Issued in Washington, D.C., on December 21, 2004.
