FE DOCKET NO. 04-64-NG

ORDER GRANTING BLANKET AUTHORIZATION TO  
IMPORT NATURAL GAS FROM CANADA

DOE/FE ORDER NO. 1996

JUNE 9, 2004

## I. DESCRIPTION OF REQUEST

On June 3, 2004, First Indigenous Depository Company, LLC (FIDC, LLC) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),<sup>1/</sup> for blanket authorization to import up to 90 billion cubic feet of natural gas from Canada. The applicant requests the authorization be granted for a two-year term beginning on May 28, 2004. FIDC, LLC is an Oregon corporation with its principal place of business in San Francisco, California.

## II. FINDING

The application has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import of natural gas from a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by FIDC, LLC to import natural gas from Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions under contracts with terms of no longer than two years.
