ORDER GRANTING BLANKET AUTHORIZATION TO  
IMPORT AND EXPORT NATURAL GAS  
FROM AND TO CANADA

DOE/FE ORDER NO. 2023

OCTOBER 7, 2004

## I. DESCRIPTION OF REQUEST

On September 17, 2004, as supplemented on September 27, 2004, Boise White Paper, L.L.C. (Boise) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),<sup>1/</sup> for blanket authorization to import and export up to a combined total of 10 billion cubic feet of natural gas from and to Canada. Boise requests the authorization be granted for a two-year term beginning on November 1, 2004. Boise is a limited liability company organized in the State of Delaware with its principal place of business in Chicago, Illinois.

## II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Boise to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions under contracts with terms of no longer than two years.
