ORDER GRANTING BLANKET AUTHORIZATION TO  
IMPORT NATURAL GAS FROM CANADA

DOE/FE ORDER NO. 2096

MAY 31, 2005

I. DESCRIPTION OF REQUEST

On May 25, 2005, NewPage Corporation (NewPage) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),<sup>1/</sup> for blanket authorization to import up to 60 billion cubic feet of natural gas from Canada. The applicant requests the authorization be granted for a two-year term beginning on June 1, 2005. NewPage is a Delaware corporation with its principal place of business in Dayton, Ohio.

II. FINDING

The application has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import of natural gas from a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by NewPage to import natural gas from Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

Issued in Washington, D.C., on May 31, 2005.
