DOCKET NO. 93-126-NG

ORDER VACATING BLANKET AUTHORIZATION
TO IMPORT "SPECIAL PURCHASE NATURAL GAS" FROM CANADA

DOE/FE ORDER NO. 898-A

On December 23, 1993, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to Tennessee Gas Pipeline Company (Tennessee) in DOE/FE Order No. 898 (Order 898) (1 FE ¶70,909) to import up to 75 billion cubic feet (Bcf) of "special purchase natural gas" from Canada over a two-year term beginning on the date of first import after March 11, 1994. Imports have not begun under the authorization. On December 20, 2005, DOE was notified that Tennessee does not intend to import "special purchase natural gas" from Canada. Tennessee has requested that DOE vacate Order No. 898.

Accordingly, pursuant to section 3 of the Natural Gas Act, Order 898, authorizing the import of “special purchase natural gas” to Canada, is hereby vacated.

Issued in Washington, D.C., on April 25, 2006.
