ORDER VACATING BLANKET AUTHORIZATION
TO IMPORT LIQUEFIED NATURAL GAS

DOE/FE ORDER NO. 1685-A

On May 24, 2001, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to Tractebel Energy Marketing, Inc. (TEMI) in DOE/FE Order No. 1685 (Order 1685) (2 FE ¶70,632) to import up to the equivalent of 100 billion cubic feet (Bcf) of liquefied natural gas from various international sources over a two-year term beginning on the date of first delivery. No imports of LNG have occurred under this authorization.

On March 24, 2006, Suez Energy Marketing NA, Inc. (SEMNA) notified DOE that it had become the successor to TEMI and does not plan to use the current authorization. SEMNA, as successor to TEMI, therefore, requests that Order 1685 be vacated.

Accordingly, pursuant to section 3 of the Natural Gas Act, DOE/FE Order No. 1685, authorizing the import of liquefied natural gas, is hereby vacated.

Issued in Washington, D.C., on April 25, 2006.
