FE DOCKET NO. 05-59-NG

ORDER VACATING BLANKET AUTHORIZATION
TO IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA

DOE/FE ORDER NO. 2121-A

On August 25, 2005, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to Cinergy Canada, Inc. (Cinergy) in DOE/FE Order No. 2121 (Order 2121) (2 FE ¶71,171) to import and export up to a combined total of 730 billion cubic feet (Bcf) of natural gas from and to Canada over a two-year term beginning on September 1, 2005, and extending through August 31, 2007.

On October 24, 2006, DOE was notified that Cinergy had changed its name to FB Energy Canada Corp., and as a result, no longer needs the current authorization. Cinergy has requested that DOE vacate Order 2121.

Accordingly, pursuant to section 3 of the Natural Gas Act, Order 2121, authorizing the import and export of natural gas from and to Canada, is hereby vacated.

Issued in Washington, D.C., on November 22, 2006.
