ORDER VACATING LONG-TERM AUTHORIZATION
TO EXPORT NATURAL GAS TO CANADA
FOR SUBSEQUENT RE-IMPORT

DOE/FE ORDER NO. 1280-A

On June 20, 1997, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted long-term authorization to CoEnergy Trading Company (CTC) in DOE/FE Order No. 1280 (Order 1280) (1 FE ¶71,416) to export up to 80,000 million cubic feet (Mcf) of natural gas per day (29.2 Bcf annually) to Canada for re-import to the United States over a 10 year term beginning on November 1, 1998, and extending through October 31, 2008, or for 10 years after the commencement of deliveries if deliveries began after November 1, 1998. On June 29, 2006, DOE was notified that CTC was merged into DTE Energy Trading, Inc. (DTE) and no longer needs its authorization. DTE has requested that DOE vacate Order 1280.

Accordingly, pursuant to section 3 of the Natural Gas Act, Order 1280, authorizing the export of natural gas to Canada for re-import to the United States, is hereby vacated.

Issued in Washington, D.C., on July 24, 2006.
