ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT LIQUEFIED NATURAL GAS FROM
VARIOUS INTERNATIONAL SOURCES

DOE/FE ORDER NO. 2544

SEPTEMBER 18, 2008

I. DESCRIPTION OF REQUEST

On September 4, 2008, InterGlobal Energy and Marine Services Inc. (InterGlobal) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),¹ for blanket authorization to import liquefied natural gas (LNG), up to the equivalent of 400 billion cubic feet (Bcf) of natural gas, from various international sources. The applicant requests the authorization be granted for a two-year term beginning on November 17, 2008.² InterGlobal is a New York corporation with its principal place of business in Farmingdale, New York.

II. FINDING

The application has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including LNG, from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by InterGlobal to import LNG from various international sources, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

¹/ 15 U.S.C. § 717b. This authority is delegated to the Assistant Secretary for FE pursuant to Redefinition Order No. 00.002.04C (January 30, 2007).

²/ InterGlobal's blanket authorization to import LNG from various international sources granted in DOE/FE Order No. 2289 on November 17, 2006, extends through November 16, 2008 (2 FE ¶ 71,373).

ORDER

This authorization shall be effective for a two-year term beginning on November 17, 2008, and extending through November 16, 2010.

B. This LNG may be imported at any LNG receiving facility in the United States and its territories.

C. **Monthly Reports:** With respect to the import of LNG authorized by this Order, InterGlobal shall file a report with the Office of Natural Gas Regulatory Activities within 30 days following the last day of each calendar month indicating whether imports of LNG have been made.
