ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT LIQUEFIED NATURAL GAS FROM
VARIOUS INTERNATIONAL SOURCES

DOE/FE ORDER NO. 2574

OCTOBER 22, 2008

I. DESCRIPTION OF REQUEST

On September 5, 2008, Gazprom Marketing & Trading USA, Inc. (GM&TUSA) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),¹ for blanket authorization to import liquefied natural gas (LNG), up to the equivalent of 100 billion cubic feet (Bcf) of natural gas, from various international sources. The applicant requests the authorization be granted for a two-year term beginning on December 1, 2008². GM&TUSA is a Delaware corporation with its principal place of business in Houston, Texas.

II. FINDING

The application has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including LNG, from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by GM&TUSA to import LNG from various international sources meets the section 3(c) criteria and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

¹/ 15 U.S.C. § 717b. This authority is delegated to the Assistant Secretary for FE pursuant to Redlegation Order No. 00.002.04C (January 30, 2007).

²/ Gazprom's blanket authorization to import liquefied natural gas from various international sources granted in DOE/FE Order No. 2305 on December 1, 2006, extends through November 30, 2008 (2 FE ¶ 71,391).

ORDER

Pursuant to section 3 of the NGA, it is ordered that:

B. This LNG may be imported at any LNG receiving facility in the United States and its territories.

C. **Monthly Reports:** With respect to the import of LNG authorized by this Order, GM&TUSA shall file a report with the Office of Natural Gas Regulatory Activities within 30 days following the last day of each calendar month indicating whether imports of LNG have been made.
