DOE/FE ORDER NO. 2209-A

On May 22, 2006, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to Anadarko Energy Services Company (Anadarko) in DOE/FE Order No. 2209 (Order 2209) (2FE ¶71,270) to import and export up to a combined total of 200 billion cubic feet (Bcf) of natural gas from and to Canada, and to import up to the equivalent of 200 Bcf of liquefied natural gas from various international sources over a two-year term beginning on May 1, 2006, and extending through April 30, 2008.

On January 23, 2008, Anadarko requested that DOE vacate Order 2209, effective immediately. Anadarko states that it has not imported or exported natural gas under the current authority for some time and that it does not anticipate doing so prior to the expiration of its current authorization.

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to import and export natural gas and to import liquefied natural gas granted to Anadarko in Order 2209 is hereby vacated, effective January 29, 2008.

Issued in Washington, D.C., on January 29, 2008.
