ORDER VACATING BLANKET AUTHORIZATION
TO IMPORT AND EXPORT NATURAL GAS
FROM AND TO MEXICO

DOE/FE ORDER NO. 2324-A

On January 19, 2007, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to San Diego Gas & Electric (SDG&E), in DOE/FE Order No. 2324 (Order 2324) to import and export up to a combined total of 584 billion cubic feet (Bcf) of natural gas from and to Mexico over a two-year term beginning on November 22, 2006, and extending through November 21, 2008.¹

On July 01, 2008, SDG&E notified DOE that it has combined its core gas portfolios and concomitantly transferred all of its related firm transportation contracts to Southern California Gas Company. As a result of these operations, SDG&E has indicated the authorization contained in Order 2324 is no longer needed, and SDG&E requests that DOE vacate Order 2324, effective the date of this Order.

¹/ Unpublished in the Federal Energy Guidelines.

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to import and export natural gas granted to San Diego Gas & Electric in Order 2324 is hereby vacated, effective July 28, 2008.

Issued in Washington, D.C., on July 28, 2008.
