DOE/FE ORDER NO. 2370-A

On June 22, 2007, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to PPM Energy, Inc. (PPM Energy) in DOE/FE Order No. 2370 (Order 2370) (2 FE ¶71,460) to import and export natural gas, including liquefied natural gas (LNG), from and to Canada and Mexico, and to import LNG from various international sources, up to a combined total of 280 billion cubic feet (Bcf) of natural gas. The term of the authority began on July 1, 2007, and extends through June 30, 2009.

On June 26, 2008 DOE was notified that PPM Energy had changed its name to Iberdrola Renewables, Inc. effective July 28, 2008, and is submitting a new application for similar blanket authorization to be issued in its new name. Therefore, PPM Energy requests that DOE vacate Order 2370, effective July 27, 2008.

Accordingly, pursuant to section 3 of the Natural Gas Act, Order 2370, authorizing the import and export of natural gas, including LNG, from and to Canada and Mexico, and the import of LNG from various international sources, is hereby vacated effective July 27, 2008.
