DOE/FE ORDER NO. 2679

AUGUST 4, 2009

I. DESCRIPTION OF REQUEST

On July 13, 2009, J.P. Morgan Ventures Energy Corporation (J.P. Morgan) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE) under section 3 of the Natural Gas Act (NGA)¹ for blanket authorization to import and export natural gas from and to Canada and Mexico, and to import liquefied natural gas (LNG) from various international sources up to a combined total of the equivalent of 500 billion cubic feet (Bcf) of natural gas. The applicant requests the authorization be granted for a two-year term beginning the date this Order is issued. J.P. Morgan is a Delaware corporation with its principal place of business in Houston, Texas.

Additionally, on December 20, 2007, J.P. Morgan was granted authorization in DOE/FE Order No. 2454 to import and export natural gas from and to Canada and Mexico for a two year term beginning February 20, 2008, and extending through February 19, 2010 (2 FE ¶ 71,568). On July 13, 2009, J.P. Morgan requested that DOE/FE Order No. 2454 be terminated upon the issuance of this new authorization, which will supersede the current blanket import and export authorization.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including LNG, from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest and must be

Morgan to import and export natural gas from and to Canada and Mexico, nations with which a free trade agreement is in effect, and to import LNG from various international sources, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.
