ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT AND EXPORT NATURAL GAS FROM AND TO CANADA
AND TO VACATE A PREVIOUS ORDER

DOE/FE ORDER NO. 2692

AUGUST 28, 2009

I. DESCRIPTION OF REQUEST

On August 6, 2009, Just Energy Ontario L.P. (Just Energy) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),¹ for blanket authorization to import and export up to a combined total of 200 billion cubic feet (Bcf) of natural gas from and to Canada. The applicant requests the authorization be granted for a two-year term beginning on the date this Order is issued. Just Energy is a Canadian corporation with its principal place of business in Mississauga, Ontario, Canada.

Additionally, on June 18, 2009, Ontario Energy Savings L.P. was granted authorization in DOE/FE Order No. 2662 to import and export natural gas from and to Canada for a two-year term beginning on August 1, 2009, and extending through July 31, 2011. On August 6, 2009, Just Energy notified FE that it changed its name from Ontario Energy Savings L.P. to Just Energy Ontario L.P. Just Energy requests that DOE/FE Order No. 2662 be vacated, effective the date this Order is issued, since the requested authorization in this docket will supersede the current blanket authorization.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including liquefied natural gas (LNG), from and to a nation with which

there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Just Energy to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criteria and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

ORDER

A. Just Energy is authorized to import and export up to a combined total of 200 Bcf of natural gas from and to Canada pursuant to transactions that have terms of no longer than two years.
