ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT LIQUEFIED NATURAL GAS FROM
VARIOUS INTERNATIONAL SOURCES

DOE/FE ORDER NO. 2737

DECEMBER 15, 2009

I. DESCRIPTION OF REQUEST

On December 4, 2009, Freeport LNG Development, L.P. (Freeport) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),¹ for blanket authorization to import liquefied natural gas (LNG) up to the equivalent of 30 billion cubic feet (Bcf) of natural gas from various international sources. The applicant requests the authorization be granted for a two-year term beginning on March 1, 2010.² Freeport is a Delaware corporation with its principal place of business in Quintana, Texas.

II. FINDING

The application has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including LNG, from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Freeport to import LNG from various international sources, meets the section 3(c) criteria and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

¹/ 15 U.S.C. § 717b. This authority is delegated to the Assistant Secretary for FE pursuant to Redelegation Order No. 00.002.04D (November 6, 2007).

²/ Freeport was granted blanket authorization to import LNG from various international sources in DOE/FE Order No. 2457 on January 15, 2008, which extends through February 28, 2010 (2 FE ¶ 71,579).

ORDER

B. This LNG may be imported at any LNG receiving facility in the United States and its territories.

C. **Monthly Reports:** With respect to the import of LNG authorized by this Order, Freeport shall file a report with the Office of Natural Gas Regulatory Activities within 30 days following the last day of each calendar month indicating whether imports of LNG have been made.
