FE DOCKET NO. 10-80-NG

ORDER GRANTING BLANKET AUTHORIZATION TO
EXPORT NATURAL GAS TO MEXICO

DOE/FE ORDER NO. 2820

AUGUST 3, 2010

I. DESCRIPTION OF REQUEST

On July 23, 2010, ETC Marketing, Ltd. (ETC Marketing) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE) under section 3 of the Natural Gas Act (NGA)¹ for blanket authorization to export up to 438 billion cubic feet (Bcf) of natural gas to Mexico. The applicant requests the authorization be granted for a two-year term beginning on September 1, 2010.² ETC Marketing is a Texas limited partnership with its principal place of business in San Antonio, Texas.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including liquefied natural gas (LNG), from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by ETC Marketing to export natural gas to Mexico, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

¹/ 15 U.S.C. § 717b. This authority is delegated to the Assistant Secretary for FE pursuant to Redlegation Order No. 00-002.04D (November 6, 2007).

²/ ETC Marketing's blanket authorization to export natural gas to Mexico granted in DOE/FE Order No. 2508 on June 20, 2008, extends through August 31, 2010 (2 FE ¶ 71,635).

B. This natural gas may be exported at any point on the border between the United States and Mexico.
