**RE: Extension of Time to Reply**  
**FE Docket No. 11-161-LNG**

Dear Mr. Lo Baugh:

On October 3, 2013, we received your request for an extension of time until October 15, 2013, in which to file your answer to the consolidated motions to comment and intervene out of time filed by the Industrial Energy Consumers of America (IECA) on September 19, 2013, in the above-referenced docket. You stated that this additional time was necessary because the applicants, Freeport LNG Expansion, L.P. and FLNG Liquefaction, LLC, were not served with a copy of IECA's filing, as required by regulations (10 C.F.R. § 590.107).

No party filed a response in opposition to your motion within 15 days after the motion was submitted. *See* 10 C.F.R. §§ 590.302(b), 590.303(e). We find that extending the deadline to respond to IECA's motion to October 15, 2013, is reasonable in these circumstances. For these reasons, we grant your request.

If you have any questions or concerns concerning this matter, please contact me or Edward Myers, Attorney-Adviser, Office of General Counsel, at (202) 586-3397.

Sincerely,

John Anderson  
Manager, Natural Gas Regulatory Activities  
Office of Oil and Gas Global Security and Supply
