ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA
AND VACATING PRIOR AUTHORIZATION

DOE/FE ORDER NO. 2897

JANUARY 4, 2011

I. DESCRIPTION OF REQUEST

On December 16, 2010, AltaGas Ltd (AltaGas) filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE) under section 3 of the Natural Gas Act (NGA)¹ for blanket authorization to import and export up to a combined total of 15 billion cubic feet (Bcf) of natural gas from and to Canada. The applicant requests the authorization be granted for a two-year term beginning on January 1, 2011. AltaGas is an Alberta corporation with its principal place of business in Calgary, Alberta.

Additionally, on October 14, 2010, AltaGas Energy Limited Partnership (AELP), a subsidiary of AltaGas, was granted authorization in DOE/FE Order No. 2865 (Order 2865) to import and export up to 15 Bcf of natural gas from and to Canada for a two year term beginning October 22, 2010, and extending through October 21, 2012. On December 16, 2010, AltaGas notified FE of an internal reorganization, resulting in the transfer of AELP's retail gas supply contracts with its customers to AltaGas. AltaGas requests that Order 2865 be vacated on January 1, 2011, because the proposed authorization will supersede the current blanket authorization.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including liquefied natural gas (LNG), from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public

interest and must be granted without modification or delay. The authorization sought by AltaGas to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criteria and, therefore, is consistent with the public interest.

This Order authorizes transactions with terms of no longer than two years.
