Date: Friday, August 15, 2014 10:36:00 AM
Importance: High

Greetings,

Today, the Department of Energy (DOE) finalized its Addendum to Environmental Review Documents Concerning Exports of Natural Gas from the United States (Addendum). Comments on the draft version of this Addendum were considered during its final preparation. The Addendum, along with other environmental information, will be considered by the Department in its public interest determinations in connection with applications to export LNG to non-FTA countries.

For more information, see:
