Dear Mr. Matthews,

This email is notification that the date/time stamp of the filing made to DOE/FE by email at [FERGAS@hq.doe.gov](mailto:FERGAS@hq.doe.gov), was November 6, 2012, at 6:50 pm eastern time (see the email date/time stamp below). This filing is considered late since it was received after the required time of November 6, 2012, at 4:30pm eastern time (see [77 FR 55197; 9/7/12](#)).

DOE/FE will reflect the filing to have been received on November 7, 2012. Sierra Club should make a subsequent filing for motion for leave to file out of time per DOE Regulations at 10 CFR 590.205(b).

See **10 CFR 590.105 Computation of time.**

(a) In computing any period of time prescribed or allowed by these regulations, the day of the act or event from which the designated period of time begins to run is not included. The period of time begins to run the next day after the day of the act or event. The last day of the period so computed is included unless it is a Saturday, Sunday, or legal Federal holiday, in which event the period runs until the end of the next day that is neither a Saturday, Sunday, nor a legal Federal holiday, unless otherwise provided by this part or by the terms of an FE order. **Documents received after the**

**regular business hours of 8 a.m. to 4:30 p.m. are deemed filed on the next regular business day.**

**(b) When a document is required to be filed with FE within a prescribed time, an extension of time to file may be granted for good cause shown.**
