Kyle,

I can confirm that we will be withdrawing our current non-FTA application as well. Will you require an amendment to the original notification letter to include the non FTA application or will this email confirmation suffice?

Regards
Allan

Hi Pierce,

Recently we received a request to vacate Gasfin's DOE FTA order/authorization. We are currently in the process of reviewing your request. I am reaching out to you into whether Gasfin will also be withdrawing its current non-FTA application (DOE Docket No 13-161-LNG) with DOE. Could you please verify this information for me?

Thank you.

Respectfully,

Kyle W. Moorman
