**From:** [Denise Krepp](#)  
**To:** [FERGAS](#)  
**Subject:** FE Docket No. 13-69-LNG  
**Date:** Tuesday, May 27, 2014 9:26:53 AM

---

To Whom It May Concern,

The U.S. Department of Energy should support Venture Global's application to export US LNG. DOE's support should be directly linked to the use of U.S. vessels and U.S. crews to export the U.S. LNG. DOE should not support the application if Venture Global refuses to export at least a portion of the LNG on U.S. vessels.

K. Denise Rucker Krepp, former U.S. Maritime Administration Chief Counsel
