ORDER VACATING BLANKET AUTHORIZATION
TO IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA AND MEXICO

DOE/FE ORDER NO. 3265-A

On April 12, 2013, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to Nexen Energy Marketing Services U.S.A. Inc. (NEMS) in DOE/FE Order No. 3265 to import and export up to a combined total of 200 billion cubic feet of natural gas from and to Canada and Mexico over a two-year term beginning on April 12, 2013, and extending through April 11, 2015.

On August 22, 2013, NEMS notified DOE that it had undergone a corporate restructuring and no longer needs the current authorization. NEMS therefore requested that DOE vacate Order 3265, retroactively effective August 23, 2013.

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to import and export natural gas granted to NEMS in Order 3265 is hereby vacated, retroactively effective August 23, 2013.

Issued in Washington, D.C., on September 12, 2013.

A handwritten signature in black ink, appearing to read "John A. Anderson", written over a horizontal line.
