**RE: REQUEST FOR EXTENSION OF TIME TO REPLY
In the matter of: FE Docket No. 11-161-LNG**

Dear Messrs. Anderson and Myers:

Yesterday we learned for the first time that a late filed intervention, motion and comments were filed by the Industrial Energy Consumers of America ("IECA") in the above referenced docket. We have not been served with a copy of the filing by the IECA or its counsel. In examining a copy of the IECA filing through the DOE/FE website, we noticed that the certificate of service states that all persons listed on Exhibit A have been served with copies of the filing. However, in examining Exhibit A of the filing, we note that it is blank, listing no entity served. (A copy is attached.)

The applicable regulations of DOE/FE provide 15 days to file an answer to a motion. [10 C. F. R. 590.302 (b); 10. C.F.R. 590.303 (e)]Therefore, we request until October 15, 2013 in which to file our answer to the IECA filing.

Respectfully yours,

Les Lo Baugh
